Ring Box in a Golf Ball by Sharon Ayers

Sharon Ayres loves to experiment with different media's & techniques. Her interest in woodturning was inspired through her father Bill Oliver in 2003 and has continued his passion since his demise in 2009.

Sharon will be demonstrating how to hollow a golf ball, turning it into a small "Ring Box". In addition, she will be showing the chucking method in which is used to hold the golf ball while hollowing.

A great gift for your favorite golfer, or will sit proudly on your shelf. This is a real "Hole in one", so don't miss it!

President's Pen for August 2018

Greetings from Waco. First day of SWAT done and 1 1/2 to go. So far it has been great.

Became a part time production turner this month. Agreed to make 15 platters and bowls for a non-profit group I work with. For the first ones I went slow and careful. By the last ones I had sped up significantly and the quality went up as well. Through raffles and a live auction I helped raise almost \$1000 dollars and all those who got one were quite pleased. Reach out, there are a lot of people out there that would love one of your well turned bowls.

Speaking of well turned bowls, I helped Don York unpack all the beads of courage boxes...WOW! Well done team!!!

Keep turning and stay safe.

See you on Thursday.

President

Who's up for a Challenge?

Our July challenge was to turn a “box” for the Beads of Courage program. Thanks to everyone who participated in this project. Several of you turned projects much earlier in the year, and although they didn't count for this challenge , they were very much appreciated. Those who participated were:

Jim Barkelew
David Baulch
Tom Beatty
Don Christiansen
David Colley
Jimmy Fife
James Haynes
Rick Hallabough

Bill Holt
Bruce Imsande
Mitch Jones
Richard Kenyon
Dick Koch
Phil Stage
Larry Sweeney

Jim Tanksley
Pam Thompson
Ron Traylor
Joe Wigner
Scott Wisdom
Danny Woods

The a Challenge for August is to turn a sphere. Although this project can be just a plain sphere, it was suggested that some sort of embellishment/s be added to the project. Maybe a little color, beads, threads, etc. can put this project Over The Top! Let your imagination run wild - lol.

I hope to see y'all on Thursday

Last Month's Critique

Each month we encourage members to bring turnings for constructive criticism. We all learn from this type of critique and hopefully our skills will improve because of it. With our time being limited, only 3 items are chosen each month for critique. All of our members are encouraged to take a hands on look at the Critique table before the meeting begins and ask questions.

Those members whose turnings were critiqued at the July meeting were:

1. Larry Roberts - project from deer antler and post oak
2. Jimmy Fife - segmented bowl
3. Mitch Jones - mesquite vase

Thanks to Glynn Cox for heading up the monthly critique.

Beads of Courage is going well. We have 12 turners signed up so far but our Monthly Challenge will give us more.

Good turning to you and see you at the August meeting. If you have any completed lidded bowls bring them to the meeting. If your lidded box is not completed no problem as the hospital needs them all year round.

Check these sites out on the Internet:

1. On Facebook search for Peach Sate Woodturners - lots of lidded bowls
2. On (YouTube) search for Denton Turners - Staved Boxes part 1 and 2 - another way to make lidded bowls.
3. 3. On Facebook search for Beads of Courage - this site will want to motivate you to participate

EMPTY BOWLS

Empty Bowls is an annual one-day fund raising event for the Tarrant Area Food Bank. The Food Bank provides food to sister agencies in 13 surrounding counties. The sister agencies then provide the food to needy children and families. Patrons at the Empty Bowls event pay \$65 or more and get to choose a bowl (wood, ceramic or glass) to take home and sample food from numerous booths of local restaurants. There are also numerous corporate sponsors that provide a sizeable portion of the total donations.

The March 2018 event raised \$249,000 , which is slightly more than last year.

The next Empty Bowls event will be May 1, 2019.

Greg Stehle got busy last month and turned in 11 bowls. He must have good AC in his shop because those were some hot days. My AC works well until about noon and then I have to get out. We have a total of 79 turned items but have a long way to go to our goal of 300. We had a few cooler days this month so hopefully we will pick up a few more bowls this month. If you are attending SWAT bring some of those ideas back and use them to make some neat items for Empty Bowls.

If you have any questions or comments, let me, Ron Traylor, know at randkbiz@msn.com.
