I plan on doing a demo on "Hollow Form Process". This will involve mounting a blank between centers, turning a tenon, and rough shaping. I will put the piece in a chuck, dress up the upper outside and hollow the interior with hand-held tooling. To

make the process interesting to viewers (and much faster), the blank will have multiple

holes drilled in it. Your camera should be able to show the tool inside the hollow form. The lower portion of the outside will be shaped after most of

... making Good Shavings

- With a few starts and stops it is getting to be summer in Texas and those without air-conditioning in their shops are feeling the heat. I know it is difficult to do any major turning but it is also important to keep up your skills. I have noticed that after a few weeks of surgery recuperation it took me considerable effort to regain my proficiency. So, when it is not too hot, do a little turning every chance you get.
- Congratulations to Bill Boehme. Bill has been chosen as the AAW's Gallery Forum Moderator. I am sure with Bill's design and photo experience he will do a great job.
- We have talked at length about SWAT and now the online registration is ending on July 31st. After that onsite registration is \$30 more. There are several new Lead Demonstrators this year that promise to bring some programs we have not seen in the past. If you haven't registered, now is the time. SWAT demonstration rotations are now on line at <http://www.swaturners.org/pdfs/Rotation%20Schedule.pdf>.
- Don't forget this month's "Bob's Challenge" of turning a lidded vessel. Hopefully you read my email about the changes we are making in the Bring Back and Challenge programs. With the discontinuation of Bring Backs and the enhancement of the Challenge program I anticipate that this will encourage us to make more chips and expand our design and turning skills. Please bear with us during this transition as I am sure we will be making adjustments as necessary.
- James has put a notice in the newsletter about getting our Christmas banquet on your schedule. That is absolutely necessary, but another part of that banquet is our yearly gallery auction. For our new members, this banquet/auction is the "event of the year". It does require all of our participation, so it is time to start thinking about that special piece you are turning to contribute. It is a great feeling to have your turning bid on by fellow club members. This auction provides the major funding for our club.
- See you at 6:30pm Thursday and be safe. We do not need any new "safety coordinators".

the hollowing is done. I will also bring a blank to make a finial if the time allows.

Who's Up For A Challenge?

Bob's Challenges are meant to excel one's ability to achieve a certain goal, as in producing a turned object whose characteristics are specified by our vice president. Our challenges have been very successful and we have seen a vast array of unique and well done bird houses, spheres, and rolling pins.

Our challenge is not meant for anyone to attain perfection, rather to encourage turners to push themselves to create something they may not have attempted previously.

I would like to see more members join the challenges. They are never judged on quality, we just want to enjoy what you have made.

Come to the meeting Thursday and see what I have in store for next month's challenge.

It's lots of fun and turning is what keeps us from stuff like housework.

See you on Thursday.

“Bring Back” Drawing Winners

Don't forget that if you were a winner of any item in the previous month's drawing, you are obligated to bring a replacement item for the “Bring Back” drawing the following month. Winners of any item should bring back a replacement turned item of their own creation to the next meeting. If you have fallen behind in bringing a replacement item for the “Bring Back” drawing, now is the time to make up for any items that you owe.

SWAT Scholarships

The winners of the SWAT scholarships were:

Steve DiCarlo-SWAT funded scholarship and WNT funded banquet ticket. Steve joined WNT February 2014.

Gary Futoma-WNT funded SWAT scholarship and banquet ticket. Gary joined WNT August 2013.

By now you all have the general idea.

South West Area Turners

One of the largest woodturning symposiums in the world

**August 23rd thru the 25th
Waco, Texas**

**If you own a wood lathe
or are thinking/dreaming about buying a wood lathe
there will be something of interest there for you
that will make the trip worthwhile.**

Early Registration closes at midnight July 31, 2014

**That is the night of the WNT meeting.
If you are going to SWAT, save \$30 and get
registered at the SWAT Website at
<http://www.swaturners.org/>**

Want to help make a sick child's day?

Turned Boxes

**donated by SWAT attendees
will do just that!**

Beads of Courage needs turned boxes!!

The boxes will be judged for prizes,
but more important,
they will be distributed to hospitals within the region
for seriously ill children undergoing treatment.

You can view the full Beads of Courage story at Beads of
Courage home page at. <http://www.beadsofcourage.org/>

Want to display some of your fine work?

The Instant Gallery provides every attendee a chance to display their work.

Everyone is invited to bring a selection for display.

Looking for that next tool or supplies?

There will be over 40 vendors
with tools and a large selection of various woods.

Want a chance to win a a nice prize or even a lathe?

There are 3 raffles at SWAT
**TWO-FOR-ONE RAFFLE
GALLERY RAFFLE AND DRAWING
TOOL RAFFLE**

Highlights of the symposium include:

Instant Gallery – You are invited to participate

Beads of Courage – Special boxes for Special kids

Special Interest Groups – Pens, Segmented and more

Banquet which includes 2 of the raffles

3 raffles - (2 for 1, Gallery and Tool)

Vendors – Over 40 of them with discounted prices

Hands on - Pen turning, Tool Sharpening and Turning

The main event - 22 outstanding demonstrators in 54 rotations demonstrating a wide variety of skills and techniques.

The rotation schedule is available at the SWAT website.

If you like doing just about anything else that involves a wood lathe, **there will be something of interest for you.**

Some of the SWAT 2014 demonstrator's

One last **important** thing about SWAT

SWAT is an all volunteer, non profit,
operation and needs volunteers.

Specifically, volunteers are needed to
sell raffle tickets during the breaks or to
help staff
the instant gallery.

If you are interested in helping,
please let me(Bob Clark) know and I will
get you in contact with the right person.

Alternatively, all of the executive committee
members will be wearing
ORANGE VESTS
this year.

Just talk to one of them.

SCENES FROM PREVIOUS SYMPOSIUMS

Since the symposium will be held the weekend before the

August meeting, there will not be any “more to follow in

upcoming newsletters” until next year.

I will try to include some highlights from the symposium

in the next newsletter, time allowing.
