

Woodturners of North Texas

A CHAPTER OF THE
AMERICAN ASSOCIATION OF WOODTURNERS

Twentieth Anniversary Year

November 2007 Program:

"Turning a Snowman"

Wood craftsman Marion McDaniel is a native of Georgia who has resided in Dallas for the past thirty-five years. He currently lives near White rock Lake.

What makes Mr. McDaniel's talent and artistry so amazing is that he only began his work with wood a few short years ago. After an on-the-job accident seriously injured his back, he was forced to retire after twenty-one years with Kroger Foods.

While recovering, he decided to whittle a cane for himself since he now needed one to aid him in walking. Prior to carving that first cane, he had never carved drawn, painted, nor even doodled on paper. That cane, however, was the begin-

ning of a consuming pastime, and he now spends his time crafting other beautiful works in wood. Marion has turned and carved beautiful bowls, bottles, canes, snowmen, and walking sticks from a variety of fine woods, some with intricate inlay.

The holiday season keeps him busy

creating his special wooden snowmen, which are each carved from a single piece of native Texas wood. At the November meeting, he will be demonstrating his techniques for turning these unique creations.

Banquet

Drinks, (cokes, tea and coffee) are supplied by the Club, as are the plates and utensils. You need to bring yourself and other members of your family (kids are welcome) along with a dessert and either a salad or a vegetable, and immerse yourself in a warm, friendly environment. Surprisingly, the conversations are not centered around turning... at least not until the "Great Auction" begins. After the meal, we will begin the program that consists of the following; selling Raffle tickets for the big Raffle, distribution of the door prizes, drawing for the Raffle prizes, and finally the grand finale

is the Auction of the turnings donated by the members (which we are still accepting). Typical raffle items from previous years include things such as: bandsaw, mini lathe, gift certificates, turning tools, and other miscellaneous items. An e-mail will be sent out later listing the exact prizes.

*Please remember that each family is asked to bring a dessert **plus** your choice of either a salad or a vegetable.*

Schedule:

4:30 PM - Early set up (tables, chairs, plates, utensils, drinks)

“Bring-Back” Drawing

Winners

Don't forget that if you were a winner of any item in the October drawing, you are obligated to bring a replacement item for the November 2007 “Bring Back” drawing. The rules for the “Bring Back” drawing are that winners of a turned item must bring a turned item of their own creation to the next meeting and the winners of any other item must bring something that would be of interest to woodturners. That would include, but is not limited to something that you turned, a tool or jig, wood, book, or magazine. If you have fallen behind in bringing a turned item for the “Bring Back” drawing, now is the time to make up for any items that you owe and please remember to bring a turning to the November meeting. Here is a list of the October “Bring-Back” winners:

NAME	TURNUED ITEM

... from the Editor

The big event of the year for the woodturners of North Texas is rapidly approaching -- just in case you may not have not noticed that the Holiday Season is almost upon us. The Big Event that I am referring to, of course, is the WNT Annual Holiday Banquet. It is a time for all of our members to enjoy great fellowship, *great food*, door prizes, raffle items, *great food*, a really great auction of turned wood art, and did I mention,

great food.

The auction is one of the primary fund raisers for the club each year and your participation is very important in making this a success to provide the club with the financial resources that enables it to bring us all of the really great programs that we have been able to enjoy over the years. Once again this year, professional auctioneer, Ken Phillips, will be conducting the auction and he always ensures that it is an exciting event. In order to make this a financial success, you are asked to donate turnings that you consider to be representative of your best work for the auction. If you are a relatively new turner, don't worry. Please join in by turning whatever you feel that you do best -- your donations are needed for the auction just as much as the work of more experienced woodturners. Also, don't forget to bring along your checkbook or cash because there will be many fantastic pieces in the auction that you will want to take home.

Also, don't forget about the Empty Bowls Project. You may not always be able to find enough free time to turn a lot of bowls for this fund raiser conducted by the North Texas Food Bank -- if so, here is an opportunity that you may want to consider -- donate bowls that you have won in the auction to the Empty Bowls Project.

Your assistance will be greatly appreciated in helping to prepare for the banquet by setting up tables, chairs, etc. If you are able to arrive early to help, please arrive between 4:30 and 5:00 PM. Also, as a reminder, each family attending is requested to bring a dessert and your choice of either a salad or a vegetable dish.

It is now membership renewal time and you can pay your dues for 2008 at the November meeting, by mail, or at the Holiday Banquet. Membership renewals are due at the beginning of each year. On the subject of membership renewals, the annual membership picture directory will be coming out in very early 2008 (hint -- if you delay renewal your name and picture may not make the deadline to be included). Several photographers in the club will be available to take your picture for the new directory. If your directory picture is several years old, it is time to have a new picture made.
